

To Whom It May Concern,

My name is Nick Rugnetta and I am the Assistant Director for the Scorpions Soccer club located in Braintree, MA. Im writing to you today in regards to one of your student athletes, _____

On behalf of Scorpions Soccer, we would like to request the release of all club players from school, to participate in the upcoming 2018 Scorpion Bowl Tournament.

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning out and scheduling the yearly event structure. The Scorpion Bowl attracts some of the regions top college recruiters but the tournament itself begins on Friday and may require the participating student/athletes to miss that Thursday and/or Friday from school.

Players participating in this showcase are exposed to one of the largest concentration of college coaches in the country. Attracting over 600 college coaches last year, many of the players competing in the showcase, expand their college options by participating in the showcase. In addition to the recruiting exposure, players are also able to take advantage of the areas wealth of universities and colleges. Offering some of the top Division I, II and III schools regionally and nationally, players spend their downtime visiting schools they may not normally have visited due to their geographic location.

While we understand the importance of education, we also believe that sport has its place for many of the participants. We hope you will understand and excuse the absence of student/athletes from school that Thursday and/or Friday of the 2018 Scorpion Bowl showcase.

Nick Rugnetta
